### STAFF STATUS DEFINITIONS:

**Locum Tenens:** A qualified physician appointed as a temporary replacement for a physician who is a member of the Medical Staff, for a period which shall not exceed one year. The physician shall have privileges to admit patients under the supervision of a preceptor.

**Associate:** A qualified physician appointed to the Medical Staff for a probationary period of at least one year, and not more than two years. The physician shall have privileges to admit patients under the supervision of a preceptor.

**Active:** A qualified physician appointed to the Medical Staff after having successfully completed at least one year probation on the Associate Staff. The physician shall have privileges to admit patients without supervision.

**Affiliate :** A qualified physician who maintains an active practice within the Hospital service area. The physician may access their patient's medical record, visit their admitted patients, and see admitted patients "in consultation" when asked by patient's attending physician or "Most Responsible Physician". The Affiliate staff physician shall not admit inpatients directly to the Hospital or write orders.

**Regional Affiliate:** Each Regional Affiliate Staff member who is a physician, dentist or midwife shall hold the following privileges, unless otherwise specified in the appointment, and shall exercise them within his/her scope of practice: may visit own patients in Hospital and write progress notes; may write orders for outpatients only; may assist in the Operating Room; may utilize the following Hospital services, where resources have been specifically allocated by the Board: Diagnostic Imaging; Pathology; Laboratory; Surgical Day Care; Library; and Outpatient Ambulatory Services.

**Honourary:** A qualified physician shall be granted the privileges of providing supportive care to a patient upon request by the responsible physician without the privilege to write orders or otherwise direct patient care

**Term:** A qualified physician shall attend patients and undertake treatment and operative procedures only in accordance with the kind and degree of privileges and procedures granted by the Board and unless otherwise specified in the grant of privileges by the Board, have admitting privileges and shall undertake such clinical and other responsibilities as outlined in the By-Laws and as determined by the Chief of the Department.
