**North Simcoe Muskoka  
Rapid Access Addiction Medicine  
(RAAM) Clinics**

Addiction recovery services for those  
struggling with their use of alcohol or drugs

## What is RAAM?

RAAM is a walk-in clinic for those 16 years of age and older, looking to make changes with their use of substances.

At the RAAM clinic clients receive support from a team of professionals ready to help them achieve their treatment goals.

This service provides a foundation and is intended to support the individual through the early stages of their recovery journey. When the time is appropriate referrals are made for continued client care in the community through our partner agencies.

## Your Team:

- Addiction Counsellors
- Social Workers
- Peer Support Workers
- Nursing Staff
- Nurse Practitioner
- Physician

## At the RAAM Clinic you will find:

- A team of professionals who will assess your substance use concerns
- Brief solution-focused counselling and therapeutic groups
- Support services for family and those affected by other's use of substances
- Appropriate referrals to community partners for addiction, psycho-social and social support services
- Transition plan for your care to return back to your primary care provider
- Medication assistance to better manage withdrawal symptoms of alcohol or opioid use and reduce cravings

**For more information  
please visit [www.rvh.on.ca](http://www.rvh.on.ca)**

\*Free Naloxone kits are available through the RAAM clinics, Simcoe Muskoka District Health Unit, Canadian Mental Health Association and participating pharmacies.

No prescription required.

## Why should YOU choose RAAM?

With no wait list to access services, RAAM clinics offer a non-judgmental, safe place for you to begin the journey of recovery.

The team members are compassionate, experienced and invested in your success.

It takes courage to take that first step, and you are not alone—we are here to support you on your journey.

**Take that first step and contact the RAAM program today!**
