Please note: This program provides care for patients suspected to have pre-invasive **lower genital tract neoplasia only**. If your patient requires a benign gynecology review, please refer directly to a gynaecologist. If you suspect malignancy, please refer directly to a gynaecologic oncologist.

Fax your completed form to 705-797-2967.

This patient remains under the care of the referring physician until seen by our program.

Please ensure your patient is aware of referral. Patients will be contacted directly with appointment.
